Subject: RE: If You're Interested

W,

If there's one thing I love as much as I detest what The Dragon has done, it's money. That's why I need you to appraise this thing for me. If The Dragon Stone is really what he says it is, then it must be worth a pretty penny to the right buyer and is totally worth the flak I'm going to get for protecting the son of a bitch...

Of course, what I wouldn't give to stick it to him. But right now... man, greed is a bitch. I guess I could just kill him and take it and sell it myself, after all it's already in my hands anyway. But that's a dangerous path to walk down if you want to keep your rep in our business. Honor among thieves and all that, right?

But would people understand? He's a child killer. He deserves it.

Maybe... I don't know. I need to think about it. So anyway, you want to look into it for me? I'd appreciate it.

Lin

P.S. – Did you catch the last episode of Found? Man, that show gets better and better every week. You really should check it out! x.x

Subject: This Isn't Over

[runner's name]:

I was very sorry to hear of your survival.

I know you must be used to threats in your line of work, so instead I'll just leave you with something else to chew on. You may be able to survive the wrath of corporations. You may be able to outrun the law. You may not be afraid of anything any crime syndicate can throw at you. But keep in mind, there is absolutely nothing in the world as ferocious as the resolve of a grieving mother. I can promise you that.

This isn't over.

D.W.

Junko "Lady Jade" Tetsuya is one of Denver's most powerful independent arms dealers. She is sexy and tough. Her communication skills can rapidly polarize from civilly intellectual and delicately eloquent to brutish, crass, and brigandine. Lady Jade is loyal to a fault, but she can make as ruthless of an enemy as she does a reliable ally.

His single horn juts from the right side of head, and from the way it glistens, it's clearly been waxed recently and well maintained. It's pretty much impossible to estimate An's age.</p> <p>An is a native of the Denver area, so speaks with no noticeable accent. Katie is a joygirl who works most of the big clubs, looking for wealthy clients. She is barely eighteen, and it doesn't take more than one intimate encounter with Katie for her customers to figure out what the "kaboom" is for. Her demeanor is uncharacteristically innocent in its friendliness, and overall she is bright and bubbly—not the typical "jaded hooker".

Katie insists she is only working the streets to "pay her way through school". This is only half true—a very smart girl, she hopes she can use her body and turn tricks to meet "well connected men" which could give her a leg up when she tries to jump careers into the corporate world as something other than a meat toy.

The manager of Klub Karma, Lin Yao is a ranking member of the White Lotus Triad. She is a brutally emotionless woman who concerns herself only with the "bottom line." It is her attention to profit and gain, as well as her swift and no nonsense approach, which has attributed to her rapid rise through the Lotus ranks. Few would suspect the soul of a ruthless underworld figure lurks between her quiet, yet firm and businesslike, demeanor. She speaks with a slight Cantonese accent and avoids slang, relying on "business casual" English at all, and demands that others who speak to her do the same.

A professional barman who just wants to be left alone by the syndicates, Matty Zorn set up shop down in the abandoned subway developments. He knows people who know people, and serves as a middleman, never asking too many questions and just handing over names and phone numbers. Pushing forty with a vengeance, the Denver native doesn't like to worry about everything that happened before he was born and focuses on the present, thinking as far forward as next month's supply shipment. Matty sells drinks at honest prices to dishonest men, but they all pay in advance. The bartender has been a sounding board often enough that he jokes he should have been a priest but he liked the drink too much to give it up.
