Irina Klavikova comes off as a sorority girl with her Omega Chi necklace and tight jeans, but is obviously proficient with the weapons around her. She's direct, playful, and more than a little psychotic. Rising to almost 5'6", she has an athletic build that is a cross between GI Jane and a tennis player.

Raised in the heart of the Vory, she has learned how to get things done. Irina surrounds herself in a cult of personality and overt sexuality with the men around her.
